

FLORIDA DEPARTMENT OF AGRICULTURE AND CONSUMER SERVICES

COMMISSIONER WILTON SIMPSON

January 7, 2025

ADDENDUM

TO: APPLICANTS

FROM: NITA JACKSON, PROCUREMENT OFFICER

RE: 2023 and 2024 USDA National School Lunch Program Equipment Assistance
Grant for School Food Authorities

This addendum is to provide answers to questions received in reference to this Notice of Federal Funding Opportunity.

- 1. My school serves breakfast and lunch in the classroom. Student access to drinking water comes from antiquated water fountains at the school. Would we be able to use equipment assistance grant funds to upgrade to an Elkay water bottle dispenser/water fountain?**

Equipment purchased using grant funding must be as described and must be used for Food Service functions. Equipment: Tangible personal property having a useful life of more than one year and an acquisition cost which equals or exceeds the lesser of the capitalization level established by the governmental unit for financial statement purposes, or \$5,000 (2 CFR Part 200). Congress has specified that the threshold for the purchase of equipment has been lowered to \$1,000.

This Addendum is hereby incorporated into and made a part of the above noted Notice of Federal Funding Opportunity. All other terms, conditions and specifications of this Notice of Federal Funding Opportunity will remain the same. For questions regarding this Addendum, please contact purchasing by email at grants@fdacs.gov
